

Technical drawing showing three cross-sectional views of a vertical pipe section with the following dimensions:

- Left View:**
  - Outer diameter:  $\varnothing 1500$
  - Inner diameter: 500
  - Top flange thickness: 120
  - Top flange outer radius: 650
  - Top flange inner radius: 150
- Middle View:**
  - Outer diameter: 590
  - Inner diameter: 540
- Right View:**
  - Outer diameter:  $\varnothing 1740$
  - Inner diameter:  $\varnothing 625$
  - Top flange thickness: 120
  - Top flange outer radius: 220
